ECO-DESIGN®

L I G H T A U T H O R

Who is ... **ECO-DESIGN**

EN / ECO-DESIGN, producer of design light fittings was established in 1996. The company is nowadays successfully represented in 20 countries and presents its products at exhibitions in Frankfurt am Main, Milano, Prague, Tokio and Dubai.

When creating new designs ECO-DESIGN works with ecological materials such as aeroceramics, ecolit, porcelaine or special plaster and uses world-renowned electrocomponents to produce original high-quality luminaires for the most demanding clients.

ECO-DESIGN team consists of designers, production engineers, technologists, lighting specialists, workers and traders. The company offers to its business partners full service from project to its realization – proposals, calculations, control systems, technical and marketing trainings leading to development and support of mutual cooperation.

CZ / ECO-DESIGN je výrobce designových svítidel, založený v roce 1996. V současné době vyváží svítidla do 20 zemí a prezentuje své produkty na výstavách ve Frankfurtu nad Mohanem, Milanu, Praze, Tokiu a Dubaji.

Firma při výrobě svých svítidel využívá ekologických materiálů jako je aerokeramika, ekolit, porcelán nebo speciální sádra. Spolupracuje se světovými výrobci elektrokomponentů tak, aby vznikla kvalitní a originální svítidla pro nejnáročnější klientelu.

Náš tým se skládá z designerů, technologů, světelných techniků, pracovníků ve výrobě a obchodníků. Společnost nabízí pro své obchodní partnery plný servis od projektu až po realizaci - návrhy, výpočty, řízení osvětlení, technická a marketingová školení o svých výrobcích, směřující k rozvoji a podpoře vzájemného obchodu.

DE / ECO-DESIGN ist ein Designbeleuchtungshersteller, im Jahre 1996 gegründet. Zur Zeit wird Beleuchtung in 20 Staaten exportiert und die Produkte werden auf den Messen in Frankfurt am Main, Mailand, Prag, Tokio und Dubai präsentiert.

Die Firma nutzt bei der Herstellung ihrer Beleuchtung ökologisches Material wie Aerokeramik, Ekolith, Porzellan oder speziellen Gips. Sie arbeitet mit Weltbekannten Herstellern von Elektrokomponenten so zusammen, dass Qualitäts- und Originalbeleuchtung für anspruchsvollste Klientel entstehen können.

Unser Team besteht aus Designern, Technologen, Lichttechnikern, Arbeitern in der Fertigung und Geschäftsleuten. Die Gesellschaft bietet ihren Geschäftspartnern vollen Service von Projekten bis zur Realisierung - Entwürfe, Berechnungen, Steuerung der Beleuchtung, organisiert technische und marketingbezogene Schulungen über die eigenen Produkte, die zur Entwicklung und Unterstützung des gegenseitigen Geschäfts hinausgehen.

FR / ECO-DESIGN est un fabricant de luminaires design, fondé en 1996. Récemment, il exporte ses luminaires dans vingt pays du monde et présente ses produits aux expositions de Frankfurt am Main, Milan, Prague, Tokio et Dubai.

Pendant le développement des projets pour ses luminaires, l'entreprise utilise les matériaux écologiques tels que l'aéro-céramique, écolith, porcelaine ou le plâtre spécial. Elle coopère également avec les producteurs mondiaux de composants électriques afin de fabriquer des luminaires originaux et de qualité et répondre ainsi aux besoins des clients les plus exigeants.

Notre équipe est composée de designers, ingénieurs, techniciens lumière, d'unité de la production et vendeurs. La société garantit le service complet pour ses partenaires commerciaux au début du projet jusqu'à sa réalisation – projets, calculs, régulation du luminaire, la formation technique et marketing de ses produits permettant le développement et le soutien réciproque entre les deux parties.

RU / ECO-DESIGN является фирмой, которая производит дизайнерские светильники. Она была основана в 1996 году. В настоящее время фирма экспортирует лампы в двадцать стран мира и представляет свою продукцию на выставках во Франкфурте на Майне, Милане, Праге, Токио и Дубаи.

При разработке своих светильников компания использует экологические материалы, такие, как аэрокерамика, эколит, фарфор или специальный гипс. Сотрудничество с международными производителями электрокомпонентов обеспечивает производство качественных и оригинальных светильников для самых требовательных клиентов.

Наша команда состоит из дизайнеров, технологов, техников освещения, людей, работающих в сфере производства и бизнеса. Компания предлагает своим бизнес-партнерам полный комплекс услуг от проектирования до реализации – разработки проектов, расчеты, контроль освещения, технический и маркетинговый инструктаж по продукции, что способствует развитию и продвижению взаимного бизнеса.

EN / Looking at the airy material we fall in love with it at first sight. Rays of light refract the inner structure of this inimitable material and create unique atmosphere.

CZ / Při pohledu na vzdušný materiál se do něj na první pohled zamilujeme. Světelné paprsky se lámou o vnitřní strukturu tohoto nenapodobitelného materiálu a vytvářejí ojedinelou atmosféru.

DE / Bei der Betrachtung des luftigen Materials verlieben wir uns auf den ersten Blick. Die Lichtstrahlen brechen an der inneren Struktur dieses unnachahmlichen Materials und schaffen eine einzigartige Stimmung.

FR / Vous allez tomber sous le charme du premier coup d'œil. Les rayons lumineux se réfractent dans la structure d'intérieur de ces matériaux inimitables, créant ainsi une ambiance exceptionnelle.

RUS / При взгляде на воздушный материал влюбляетесь в него с первого взгляда. Световые лучи преломляются от внутренней структуры этого неподражаемого материала и создают неповторимую атмосферу.

EN / In harmony with your home. It will help you to find answers to questions what, where and how. Simplicity of the line enters the space with an ease of light and shade. Naturally. You can adapt it to the colour and mood of the space. Whiteline is here for you.

CZ / Splyne s domem. Pomůže Vám nalézt odpovědi na otázky co, kam a jak. Jednoduchost řady vstoupí do prostor s pouhou lehkostí světla a stínu. Přirozeně. Můžete ji barevně přizpůsobit náladě prostoru. Whiteline je tu pro Vás, aby se přizpůsobila.

DE / Es verschmilzt mit dem Haus. Es hilft Ihnen die Antworten auf Fragen zu finden, was, wohin und wie. Die Einfachheit der Reihe tritt in einen Raum mit bloßer Leichtigkeit des Lichts und des Schattens ein. Natürlich. Sie können sie farblich der Stimmung des Raumes anpassen. Whiteline ist hier für Sie, um sich anzupassen.

FR / Elle s'adapte à votre maison. Elle vous aide à trouver les réponses aux questions quoi, où et comment. La simplicité de la série s'intègre dans l'espace avec la légèreté de la lumière et de l'ombre. Naturellement. Vous pouvez en modifier selon ses couleurs dans la nature de l'espace. Whiteline est là pour vous afin de répondre à vos exigences.

RUS / Сольется с домом. Поможет вам найти ответы на вопросы что, где и каким образом. Простота линии впишется в помещение с помощью всего лишь света и тени. Естественно. Легко приспосабливается к оттенку стен помещения. Whiteline создана для того, чтобы адаптироваться.

EN / Cool perfection and elegance does not have to end after the first encounter. Silverline will prove its advantages to you in daily trials.

CZ / Chladná dokonalost a elegance nemusí v tomto případě skončit jen jedním setkáním. O svých přednostech Vás denně bude při nejnáročnějších zkouškách přesvědčovat Silverline.

DE / Die kühle Perfektion und Eleganz müssen in diesem Fall nicht durch ein einziges Treffen beendet werden. Über ihre Vorzüge wird Sie Silverline bei den anspruchsvollsten Prüfungen täglich überzeugen.

FR / Dans ce cas, la perfection froide et l'élégance ne se rencontrent pas uniquement pour une seule fois. Silverline vous persuadera chaque jour de ses qualités dans les conditions d'utilisation sévères.

RUS / Холодное совершенство и изящество в данном случае не ограничивается единственной встречей. Silverline вас будет убеждать о своих преимуществах во время самых требовательных испытаний каждый день.

EN / They embrace the room into luminous line of limitless possibilities. The atmosphere is in your hands and the choice of indirect lighting is only up to you. Light up, light down, light both ways. If you want to slow down and rest in peace of gentle light all you need is a single touch of switch.

CZ / Obejmou místnost do svítící linie nekonečných možností. Atmosféra je ve Vašich rukou a záleží jen na Vás, jak s tématem nepřímého osvětlení naložíte. Svítit nahoru, dolů, nebo oběma směry. Chcete-li ubrat tempo a posadit se v klidu jemného osvětlení, je to možné pouhým stiskem tlačítka.

DE / Es umarmt das Zimmer in einer Leuchtlinie unbeschränkter Möglichkeiten. Die Stimmung liegt in Ihren Händen und es hängt nur von Ihnen ab, wie sie mit dem Thema einer indirekten Beleuchtung umgehen werden. Nach oben, nach unten oder in beide Richtungen zu leuchten. Falls Sie das Tempo reduzieren wollen und sich in Ruhe einer sanften Beleuchtung hinsetzen wollen, ist es per Knopfdruck möglich.

FR / Ils maintiennent la pièce dans une ligne lumineuse de possibilités infinies. L'ambiance est entre vos mains et c'est entièrement à vous de traiter le luminaire indirect. Eclairer le haut, le bas, les deux directions. Si vous souhaitez ralentir le rythme et profiter d'un éclairage subtil, c'est possible d'une simple pression de l'interrupteur.

RU / Охватят помещение светящейся линией безграничных возможностей. Атмосфера в Ваших руках, и зависит только от Вас, как распорядитесь непрямым освещением. Светить наверх, вниз или в обоих направлениях. Если же желаете замедлить темп и посидеть в затишье нежного освещения, просто нажмите на кнопку.

Ecolit. Natural hardened plaster. Sandblasted glass. Perspex.

Ekolit - speciální sádra. Pískované sklo. Perspex.

Ecolit. Natürlicher Hartgips. Gesandstrahlit Glas. Perspex.

Ecolith. Le plâtre durci à la base naturelle. Verre sablé. Perspex.

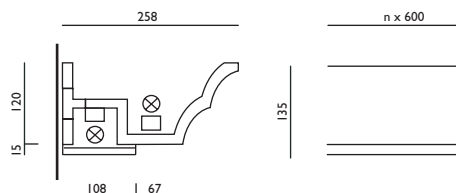

Эколит. Естественно упрочненный гипс. Пескоструйное стекло. Плексиглас.
